

To make your job easier, we work harder on partnerships

Creating value for healthcare organizations through AI-powered solutions optimized for athenahealth.

Given all the platforms, devices, and unique demands of the people who use them, creating a seamless experience isn't easy. That's why we partner with athenahealth to make it easier for clinicians to document everything without ever taking their focus off what matters most—caring for their patients.

Deeply embedded across the continuum of care

Deep integrations between Nuance healthcare solutions and athenahealth solutions allow physicians to use conversational user interfaces to practice medicine and create effective clinical documentation—while maximizing the value healthcare organizations receive from their EHR.

- **Full support** for Dragon Medical One and PowerMic Mobile
- Dragon Medical embedded in athenaClinicals is **accessible through any browser** with no additional software to install or usernames or passwords to remember
- **In-workflow physician documentation guidance** through Dragon Medical Advisor

Joint innovation and strategic development

Technical strategy is the backbone of our partnerships. That's why we engage in joint development and innovation projects—and here are just a few of the areas where we work alongside athenahealth so that we can deliver a seamless user experience:

- Solutions designed specifically to address ambulatory market needs
- Drive EHR adoption by improving usability and productivity through integrated cloud-based clinical documentation solutions
- Strategic partnership aligned with athenahealth's growth objectives
